Vinařství Válka is a small family winery founded in 1991 by Karel Válka. It is believed to be the first registered winery after the fall of the Communist government in late 1989. The winery was certified Organic in 2012 and currently has 8 hectares under cultivation. The winery offers three product lines, with a focus on terroir-driven styles of wines.

Karel Válka is the lead winemaker, transitioning this to his very talented son, Vojtěch.

Vinařství Válka is located in the wine sub-region Velké Pavlovice | Moravia.
