

VINAŘSTVÍ LUDWIG

LUDWIG 30 RIESLING/AURELIUS LATE HARVEST

VINEYARD | WINE

Vinařství Ludwig was founded in 1992 by Ludvík Šlancar whose family has more than 100 years of winemaking experience. The winery produces more than 10 product lines, truly something for everyone, including specialty “late harvest” and “selection of grapes” bottles. Ludwig wines have won multiple Platinum, Double Gold, Gold, Silver and Bronze at global competitions including San Francisco, Finger Lakes, Vienna, and Prague. The winery is located in the sub-region Velko Pavlovice | Moravia.

The winemaker is Ludvík Šlancar.

This wine is a blend of Riesling and Aurelius, which is a cross between Neuburger and Riesling. Aurelius is a Czech-specific variety. Both the Neuburger and Aurelius varieties represent a small fraction of grapes planted making wines scarce and of high interest. Gold Medal winner at AWC Vienna 2020 and Double Gold winner at Finger Lakes 2020.
