## VINEYARD | WINE

Krasna Hora (beautiful mountain) is a Certified Organic winery founded in the 1960's. The 7 hectares of vineyards are tended by hand adhering to biodynamic principles, meaning only herbals teas and natural composts are used for fertilizer and pest control in the vineyards. Yields are carefully controlled to 1.3 kg/vine to achieve the intensity and concentration of aromas and flavours they are looking for. All grapes are hand harvested. All wines are spontaneously fermented, low intervention and vegan friendly. The winery is located in the sub region Slovacko | Moravia.

The current winemaker is Ondřej Dubas. He is member of the "Mladí Vinaři" or Young Winemakers Association of the Czech Republic.

This wine is an unfiltered rosé made from hand harvested Pinot Noir grapes. The grapes were pressed with stems then fermented in 5-6 year old 500 litre oak barrels. The wine was left to mature for 9 months on lees. This wine was fermented using wild yeast with no fining or filtration. It is Vegan certified.
